BOOK SYNOPSIS

Lia Cassidy left the Army scarred physically and emotionally after a vicious attack by two fellow soldiers. She turns to helping others, working at a Delos Home School Charity in Costa Rica that aids abused women and children. But when the deadly drug lord, La Arana, attacks the school, Lia finds herself on the run for her life. The only person she can trust is the ex-SEAL sent to protect her. Cav Jordan is strong, honorable and gorgeous...and intrigued by Lia. He knows she has suffered pain in her past, and he is determined to break through her barriers and earn her trust. But as Cav slowly chips away at the walls Lia has built, ghosts from her past threaten to destroy their fragile relationship.
