BOOK SYNOPSIS

For American Jewish historian Jeffrey S. Gurock, the sports metaphor highlights the challenges that Jewish life has faced in modern American society. Although athletics were once seen as the incursion of a foreign cultural phenomenon into Jewish life, attitudes have shifted in recent generations. What was once branded as an unproductive questionable activity has entered into the American Jewish experience, and has captured the allegiance of Jews on the track, gridiron, diamond, and court. *Constant Challenge: Sports and American Judaism* brings together nine intriguing essays that explore the different approaches to athletic activities within Jewish life. Together, this anthology identifies and discusses how Jewish communities cope with these challenges, navigating the delicate balance between religious identification and American sports culture.

CONSTANT CHALLENGE SPORTS AND AMERICAN JUDAISM - Are you looking for Ebook *Constant Challenge Sports And American Judaism*?
